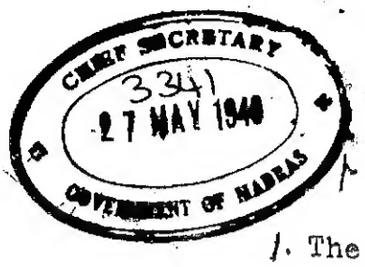
COLLECTOR'S OFFICE, BELLARY.
DATED 25-5-49. CAMP:-Harapanahalli

Dear Mr.



Sub:- STATES - SANDUR STATE- MERGER -ALLOWANCES TO RELATIVES OF RULER- REPORT.

Ref:- Your Confidential D.O.No.2935/49-1, dated 11-5-49 Public (Political) Department.

1. The following relatives of the Ruler of Sandur are being paid the allowances noted against their names, from 1931 onwards, from the Sandur State Treasury.

RAJAMATA.

1.	Shrimant Sow Tarabai Saheb Ghorpade (Rajamata mother of the Ruler.)	Rs.100/-P.M.

OTHER DEPENDANTS.

2.	Shrimanth B.Y.RajeGhorpade (Father of the Ruler).	Rs.200/- "
3.	Shrimant D.B.Raje Ghorpade)Brother of the Ruler).	Rs.100/- "
4.	Shrimant Sow.Susila Raje Pawar(Late Ruler's daughter).	Rs.240/- "

2. Out of the above, the cases of the Rajamata, and the late Ruler's daughter (Nos.1 & 4) may be given special consideration as instructed in D.O.No.F.~~160~~161(2) -P.R./47 dated 23-5-49 from the Ministry of State New Delhi.

3. In this connection I invite your attention to Anantaraman's ~~Secret~~ Confl D.O. letter No.527/49-2(C.C.) dated 19-1-49, addressed to Mr.Ramunni Menon, wherein he recommends enhanced allowances to these two ladies Viz., Rs.250/- each per month. It would be a nice gesture on the part of the Government to grant them enhanced allowances; but if it is not possible to increase the allowances, I strongly recommend that they should at least be continued as at present.

4. As regards (No.2) the father of the ruler, I consider that it is too late in life for him to make an effort to earn a living and therefore recommend that his allowance also may be continued at the existing rate.

5 Finally, Shrimant D.B.Raje Ghorpade the brother of the Ruler, has been granted a pension of Rs.150/- P.M. according to H.O.IX-7/48 dated 26-12-48 as modified by the Government of India. He has been receiving a pension of Rs.100/- P.M. from 1931 as a boy under the guardianship of his mother, the Rajamata. He is well to-do and has been appointed as administrative adviser to the General Sandur Mining Company. I consider that it is therefore unnecessary to pay the old pension of Rs.100/- P.M. to him. This may be merged into the sum of Rs.150/- accepted by the Government of India.

6 All the above allowances have no concern with the Privy Purse of the Ruler and the expenditure is a direct charge on the revenues of the Government.

7 I request that orders passed in the matter may be communicated to me soon.

Yours sincerely,

(E.C. ALLARDICE).

CHIEF SECRETARY
6 - JUL 1949
GOVERNMENT OF MADRAS

MEMORANDUM.

An Allowance of Rs 100/- (One hundred) per month was paid to me under Head No. 12 of the Sandur State Budget, as BROTHER of the Ruler for the past 18 years. Since 1st April 1949, this allowance has not been paid. This has made me feel considerably apprehensive and has also caused inconvenience.

The Collector of Bellary has replied to me that the matter is under "examination". Under the circumstances I consider it desirable to bring to the notice of the Chief Secretary to the Govt. of Madras, certain facts which I consider relevant. I pray that due consideration be kindly given to this memorandum before any decision is arrived at by Government.

Beside myself the following have also received their allowances under the same head of the budget:-

1) Shrimant B.Y. Raje Ghorpade -- Father of the Ruler.
2) Shrimant Sow. Tarabaisaheb Ghorpade -- Mother of the Ruler.
3) Shrimant Sow. Sushila Raje Ghorpade -- Daughter of the LATE R

These allowances were definate committments of the Sandur Govt. towards the members of the Ruling House and provided for; specifically, in the state budget and paid regularly. Even after the 29th July 1948, these allowances were continued to be paid by t then Administration of the State. The allowances, however, were and have not been paid since 1st April 1949.

The Privy Purse of the Ruler, under the Agreement, provides for "all the expenses of the Ruler and his family, including expense on account of his personal staff, maintainance of his residences marriage and other ceremonies, etc". i.e. the Privy Purse is a personal payment to the Ruler meant for all his domestic expense It will be appreciated that it does not cover the allowances refferred to herein. I, as brother of the Ruler, cannot be consi dered as a member of his "domestic circle" depending upon him fo my board and lodge. Hence my plea for the continuance of the all owance to me.

I may be also permitted to state that under the Hindu Law, espec ially in the case of Rulers etc., it is family custom that count Hindu Law does not provide for the support of a brother (or par when they are divided), and my family custom (as is natural, a state being impartible) provides specifically for the support of the parents and brothers from out of the revenues of the estate i.e. Sandur. Therefore I make the plea thatha sum like the Privy Purse does not provide for this. I am prepared to quote instance where the brothers of Rulers of other integrated states have been given allowances from the revenues of the concerned states and not provided for under the Privy Purse.

provided for under the Privy Purse.

I [illegible] also permitted to state that under the Hindu law, especially in the case of [illegible] etc., it is family custom that courts [illegible] not provide for the support of a brother (or paternal uncle) divided , and by [illegible] custom (as it [illegible], a [illegible] attache [illegible] provided specifically for the support of the parents are [illegible] out of the revenues of the estate i.e. Sardar. Therefore [illegible] the plea that a suit like the Privy Purse does not provide for this. The allowances, however, were [illegible] not been paid since [illegible] April 1949.

[illegible] Privy Purse of the Ruler, under the present provides for [illegible] expenses of the Ruler and his family, including expenses on account of his personal staff, maintenance of his residences, [illegible] and other [illegible]remonies,etc. i.e. the Privy Purse is a personal payment to the Ruler meant for all his domestic expenses It will be appreciated that it does not cover the allowances referred to above. I, as Brother of the Ruler, cannot be considered as a member of his "domestic circle" depending upon him for [illegible] and lodge. Hence my plea for the continuance of the allowances to me.

[illegible] Sardar Govt. [illegible] Sardar Govt. [illegible] Sardar Govt. [

I have been awarded a pension. This compensates for my loss of service as Commandant of the State Forces and First Member of the Government, and for NOTHING ELSE. I was not even allowed to function after the 29th July 1948, and had no reason to think that the terms of the agreement between myself and the Sandur Government, on which I entered the state service, would be continued or honour Hence, I applied for compensatory pension. I had lost my chances the Royal Indian Air Force, in which I served as a Fighter Pilot during the War, and from which I was released under special "B" Class Release to take up service in the State. Rejoining now, after a lapse of 4 years would serve no useful service, as I have lost my seniority. The pension, therefore, compensates, for this. It has nothing to do with my allowance, which was paid to me as brother of the Ruler. Hence I pray for its continuance.

I am prepared to furnish any other information desired in this connection, and moreover am prepared to appear personally if it is considered necessary to present my case before Government, or the States Ministry,

This memorandum is submitted in order to place all facts before y in this connection and to request you to give me a hearing before final orders are passed or any decision taken in the matter.

To:-
The CHIEF SECRETARY.
Governement of Madras.
M A D R A S.

Sir,

I, the undersigned, Bhujeng Rao Yeshavant Rao Raje Ghorpade of Sandur, and father of the Ex-Ruler of Sandur would like to bring to your kind notice that I had been receiving an Allowance of Rs 200/- per mensem from the Ex Sandur State, in the capacity of a Member of the Ruling - family but which ceased on the Merger of The State, and I was told because the matter is under consideration.

I request that this Allowance may please be continued as hitherto and for which act I would be ever grateful to - both yourself also the Government.

I might mention that the Ex-Ruler is my Son who was selected by The Government of India with the approval of His Majesty, The King of England in the year 1928 when the Sandur Gadi became vacant due to the demise of the then Ruler.

It is an interesting case, especially where I am - comcerned as The State was assigned to me to succeed, I am being the nearest agnate of the late Ruler during the ---- investigations of the enquiry for selection by the then - Resident, Mr. C. W. E. Cotton I. C. S., Resident of Travancore Pudakotta, Bagnapalle & Sandur.

When the enquiry was nearing completion, Mr. Cotton called me for perosnal discussion at Sandur, and asked me if I would - abdicate the right to succeed to the Gadi if my Son was duly selected. In compliance with his suggestion, I accepted the proposal with the proviso that suitable provison were made - for me to live as a Member of the Ruling Family, with all --- privileges pertaining thereto as was being done in other --- States, and which latter I was assured @ would receive.

To my misfortune, however, as soon as my Son succeeded to the Gadi, I was given only a very petty allowance with the added assurance that I would be given a further and decent allowance

A as I possess but a poor Estate in Gajendragad & from which I get but a bare Rs 200/- per Month & which is inadequate even for the Management costs of the Estate.

B Somlong as Sandur State remained under my Son's control, I - used to stay with him and served the State in the capacity of President of the Executive Council, and put in a lot of good - work to help him. Soon after the Merger, however, My Son has discontinued this concession , and so, I am compelled to make my own living, a difficult task at my time of life and in the said circumstances.

C May I request, therefore, that you be so kind as to arrange that I continue to receive the desired and necessery allowance with privileges attatched thereto, in compensation at least for the meritious services rendered by me, in the past, to the State and which was in the best interests of it's subjects.

Your careful consideration to the foregoing matter would be so very much appreciated by me, and in anticipation I thank you for same.

Yours Faithfully.

Sir,

Sub: States - Sandur - Merger - Allowances to Shri D.B. Raje Ghorpade.

...

I am directed to enclose a copy of the representation from Shrimant Sardar D.B.Raje Ghorpade and to state as follows:--

Shri D.B.Raje Ghorpade, the brother of the Ruler of Sandur, was in receipt of a family pension of Rs.100/- p.m. from 1931 along with other near relatives such as the Ruler's father, mother and his sister. When later he was appointed to the posts of the Commandant of the State Forces and the First Member of the Durbar, he was granted a pay of Rs.475/- p.m. for holding both the posts. In addition he continued to draw the family pension of Rs.100/- referred to above.

2. In Huzur Order No.IX-7/48 d/26-12-48, the Ruler of Sandur sanctioned, among other things, to Shri D.B.Raje Ghorpade a pension of Rs.200/- p.m. for the services rendered by him in the posts of the Commandant of the State Forces and the First Member of the Durbar. This Govt. recommended, while reviewing the annuities sanctioned to the members of the Ruler's family, that the family pension of Rs.100/- p.m. referred to above might be merged with the service pension of Rs.200/-, but the Govt.of India fixed the amount of the pension at Rs.150/- p.m. - see para 15 of this Govt.'s D.O.No.5738/48-9, Pub.(Poll.) d/17-2-49 and para 4 of Govt.of India's letter No.D.3588-P/49 d/20-4-49.

3. In his representation, Shri D.B.Ghorpade requests that the family pension of Rs.100/- which he was getting in view of his position as the brother of the Ruler should be continued to him in addition to the service pension of Rs.150/- granted by the Govt.of India. After a further examina-

tion of the question, this Govt. consider that the request of the petitioner is reasonable and that the previous recommendation of this Govt. was based on incorrect~~ed~~ data. As both the payments are different and are based on different considerations, ~~this Govt~~ they consider that it is only fair to continue the family pension of Rs.100/- which he was getting hitherto and accordingly recommend its continuance in addition to his service pension of Rs.150/- per mensem.

I am to request that the Govt.of India's orders may be communicated at an early date.

I am directed to invite attention to the letter cited and request that orders passed thereon may be communicated to this Govt. at an early date as the members of the Ruling family are pressing for the payment of the allowances.

2.In this connection I am to enclose a copy of the representation from Shri B.Y.Raje Ghorpade of Sandur (father of the Ruler). He states that the allowance of Rs.200/- p.m. which is now being paid to him is inadequate and petty in consideration of the ~~grounds in which he figured before the present Ruler ascended the Gadi~~ part he played in 1948 when the Sandur Gadi became vacant due to the demise of the then Ruler and requests that the allowance may be enhanced. This Govt. consider that, in the special circumstances stated by him, he may be granted an allowance of Rs.300/- p.m. As the gentleman ~~should be pretty old~~ is somewhat advanced in age, any concession that may be granted to him will be only for his life time which cannot be too long in tenure.

An early reply is requested.

The Collector's report is dealt with below:-

(1) Allowances to Rajamata:- Shrimant Sow. Tarabai Saheb Ghorpade, Rajamata of the Ruler, is now getting an allowance of Rs.100 p.m. The Collector recommends that this allowance may be continued and also suggests that as a nice gesture on the part of the Govt. the allowance may even be enhanced to Rs.250/- p.m.

of Bellary was requested to arrange for the payment of pension to the persons mentioned in the proceedings of the Sandur Durbar No. 1x-7/48 dt 26/12/48 as modified by the Govt of India. The Collr. is aware of the Sandur Durbar proceedings referred to above - See para 5 on p 4 of. He recommends that the old pension of Rs. 100/- may be merged into the pension of Rs. 150/- accepted by the Govt of India. This is not one of the points on which India's orders have been asked for, in the letter on page 11 of. Has this point been referred to them in any other file? If not, please examine the letter with reference to the memorandum on pp 15-17 of. If the allowance of Rs. 100/- asked for is to be granted, the Govt of India's sanction is necessary. Incidentally, it is not clear whether Shri D.B. Raje Ghorpade is now being paid at least the sum of Rs. 150/- accepted by the Govt of India - See copy of Collr's letter on page 19 of.

Assistant Secretary's queries above.

The position is as follows:-

Shrimant Sardar D.B.Raje Ghorpade, the brother of the Ruler of Sandur was being paid from 1931 a sum of Rs.100/ per mensem along with other near relatives such as the Ruler's father, mother and his sister. Incidentally he he the posts of the Commandant of the State Forces and the First Member of the Durbar. Inconsideration of the offic held by him he was drawing a pay of Rs.475/- p.m. This was in addition to Rs.100/- paid to him as brother of the Ruler. As the post held by Shrimant D.B.Ghorpade would be/...

be no longer in existence, the Ruler recommended to the Govt.of India a pension of Rs.200/- to Sri D.B. Ghorpade along with other state servants. The Govt. of India have however agreed to pay a pension of Rs.150/- only as against the sum of Rs.200/- recommended by the Ruler apparently in consideration of his short period of service in the State. This is purely a service pension.

2 In his note on pensions, the Special Officer, Sandur (Dy.Tahsildar) has suggested that the family pension of Rs.100/- drawn by Sri D.B.Ghorpade as brother of the Ruler (independently of other considerations) might be merged with any enhanced pension that might be granted by the Govt.of India. Though the pension of Rs.150/- granted by the Govt.of India was on account of his service in the State and the family allowance of Rs.100/- stands on a different footing, the position was not examined as such then; it has become clear only on the representation of Sri D.B.Raje Ghorpade - and the Spl.Dy.Tahsildar's suggestion as it was, was put to the Govt.of India - See para 15 of our D.O. letter at p.241 c.f. of L.F.

3 In para (5) of his D.O. (on page 4 c.f.) the Collector has pointed out that as Sri D.B.Ghorpade has been appointed as administrative adviser of the General Sandur Mining Co., he is well-to-do and the Collector therefore considers that there is no necessity to pay him the old family allowance of Rs.100/- p.m. and that it may be merged with the pension of Rs.150/- now granted by the Govt. of India which is a service pension.

4 In his representation at pp.15-17 c.f. Sri D.B. Ghorpade contends that the family allowance of Rs.100/- which he was getting independently of all considerations should be continued to him in addition to his service pension of Rs.150/- granted by the Govt.of

of India. It would seem that irrespective of his affluent circumstances reported on by the Collr. ~~his~~ Sri D.B. Ghorpade's contention ~~would seem to~~ hold good. Submitted for orders whether the Govt. may stick to the previous recommendation as in para 15 of p.241 c.f. of L.F.

o r

whether a case may be made out to the Govt. of India to continue the family allowance of Rs.100/- in addition to his service pension of Rs.150/- granted by the Govt. of India.

5 It may be stated that pending final orders the Collector has not apparently paid ~~up~~ the family allowance of Rs.100/- or the service pension of Rs.150/- to Sri D.B.Ghorpade. The Collector's action in not having paid any of these allowances seems to be justifiable. An interim reply to Sri D.B.Ghorpade may be given. Draft submitted. draft I below.

6 Another gentleman who has approached the Govt. direct is Sri B.Y.Raje Ghorpade of Sandur, the father of the present Ruler.

T on p. 3 c.f.

Sri B.Y.Raje Ghorpade was all along getting Rs.200/- per mensem as father of the Ruler. The Collector considered that it was too late in Sri Ghorpade's life to make an effort to earn a living and that the allowance of Rs.200/- might be continued to him. This Govt. have accordingly put it to the Govt. of India that the allowance of Rs.200/- might be continued to Sri B.Y.Ghorpade. India's orders are awaited on that. In the meantime the gentleman has represented that the allowance of Rs.200/- which is now being paid to him is only a petty one in consideration of the grounds in which he ~~should have been~~ figured before the present Ruler ascended the Gadi. He considers that a sum of Rs.200/ p.m. is inadequate even for the management costs of his estates and requests its enhancement. It is for consideration whether a recommendation may be made to the Govt. of India that this allowance may be raised to

Rs.300/- p.m. As the gentleman should be pretty old, any concession that may be granted will be only for his life-time which cannot be too long in tenure.

7/ He may also be given an interim reply that the matter is receiving attention.

8/ Submitted for orders [on A and B] on paras (4) and (6.) above.

Two drafts for approval.

(1) Sardar K. B. Raja Ghorpade. - He is the brother of the late Ruler and was drawing Rs. 100/- p.m. (family pension as brother of the Ruler) and a pay of Rs. 475/- p.m. for the posts he held as Commandant of the State Forces and First Member of the Govt. of Sandur. In Dec. 1948 the Ruler sanctioned to him a pension of Rs. 200/- p.m. for the service rendered by him in those two posts. This pension was later modified by the Govt. of India to Rs. 150/- p.m. Para 2 of the note on page 4 ante shows how the family pension of Rs. 100/- p.m. and the service pension of Rs. 200/- p.m. came to be mixed up together. As both the payments are different and were based on different considerations, it would seem they both should be continued. Further, the intention is that, in these matters, the pre-merger arrangements should be continued as far as possible. In the circumstances it is for orders whether the second alternative at A may be adopted. Pending India's orders, the Collr. of Bellary may be asked to disburse to him the pension of Rs. 150/- accepted by the Govt. of India.

(2) Sri B. Y. Raja Ghorpade. - He is the father of the late Ruler and was drawing a family pension of Rs. 200/- p.m. The Govt. of India have been asked to continue this pension and their orders are awaited. In the circumstances now pointed out, he asks for an increase of the allowance. For orders whether the allowance may be raised to Rs. 300/- p.m.

Sub: STATES - Sandur State - Merger - Schedules of private properties of Ruler.

Ref: Your confidential D.O.No.5738/48-4 Public (Political) dated 9-1-1949.

I sent for the Special Officer in charge of State administration, Sandur and gave him detailed instructions about the scrutiny of the schedules. I also visited Sandur. I am submitting herewith a copy of his report.

As reported by the Special Officer, though the lists were prepared with the help given by our surveyors and draftsmen, neither the Special Officer nor I agreed to the correctness of the lists. I lent the services of the surveyors and draftsman only to get the plans prepared expeditiously.

I presume that the usual supervision by the Hindu Religious Endowment Board over the management of temple properties.

I am enclosing herewith a statement of the Receipts and Expenditure under various service heads for the last five years which may be useful in arriving at a decision about the quantum of allowances that ought to be given to the Ruler.

As the Government are pledged to a policy of total prohibition, we cannot expect income under Excise, which comes to anout Rs.3 lakhs. Even with regard to the income from forests which is about a lakh, allowances will have to be made for any possible dimunution. Hillgrass which was getting good income for the State could not be sold this year. With mechanised transport in the army, the demand for hill grass will go down. So the income from the Forests can be taken only as a lakh of rupees.

We will also have to spend on education, public health, administration of justice, agriculture on a scale atleast equal to that of the present one. Any diminition will reflect on the efficiency of the administration. The school, the hospital, the Maternity ward, the Veterinary hospital and other public institutions will have to be continued. The public of Sandur are now getting good water supply, lighting, and I presume that our Government will be prepared to spend on an equally generous, if not on a higher scale, on these amenities. If necessary, even something out of the general revenues will have to be spent. All expenditure on administration will go up as our scales of pay of Government servants and teachers, are higher than those given by the State.

Regarding the Schedule of Property of the Ruler's Family, item 1(a) Shivavilas Mahal: I think that the Ruler ought to get as he has to get a residence suitable to his status. Of course practically, every building has been built or purchased from State Funds. But other rulers also have been hitherto constructing from State Funds, buildings, and this case is not in any way different from others.

Palace Annexe: Though the Special Officer has more or less proved that the building originally was a Travellers'

Bungalow/...

Bungalow and would be useful as a public office, I think even this might be left over to the Ruler as he has got a grown up brother who might require the residence. Our Government will naturally have to invest some money in constructing suitable buildings for locating our offices.

Item 1(b): Our offices are now located in this building. A plan prepared by the Palace Overseer in 1934 shows that these buildings have been used for secretarial and other official purposes from 1934. But as these buildings are the hereditary property of the Ruling House, they might also be handed over.

Item I(c) - Old Huzur Office: This is a building which can be conveniently used as a Travellers' Bungalow.

Item No.I(d): Royal Rest House at Ramaghad- This was purchased from the P.W.D. Madras for Rs.2500/-.

Item No.I(e): Royal Rest House at Karthkaswara-swami: There is no objection to hand over this to the Ruler. I has been in the sole occupation of the Ruling House. As they are devottes, they may like to use the building often.

PALACE ESTATES: I have nothing further to add to the remarks given by the Special Officer.

LIST II OF THE SCHEDULES OF THE PROPERTIES OF THE ROYAL FAMILY: I have nothing further to add to the report of the Special Officer as his report was more or less prepared under my personal directions.

There is no entry in the Treasury about the amount said to have been lent by the Rani Saheba in 1943-47.

PENSIONS: I agree with the Special Officer that special preferential treatment to some of the state staff will cause discontent among those who have now elected to work under the present administration. It is however to be conceded that except Mr. Meh. V. Narasimha Rao and Mr. Krishnan, the Political member and the Huzur Secretary, others are more or less in the service of the Rajah's Household. Even in case the Rajah says that they were connected with him Personally as Huzur Secretary etc. and have to be given special treatment, we however urge that those state employees who agreed to serve our administration under very difficult conditions have to be given special treatment also. They should not be made to suffer for having agreed to serve the Union Government. Even though this might mean to the Union Government some extra expenditure, I think it is well worth it. Sri H.Basaiah and N.Ramachandra Sastry, the Treasury Officer and the Huzur Secretary, who have put in quite a long service in the State and who have given their consent and willing co-operation to serve the present administration, despite the displeasure of the Ruler, deserve special recognition. They may also be given a pension of Rs.100/- each, if they are not going to be employed in future. Both these people were very helpful to our administration.

In paragraph 6 of Setalvad's letter, it has been mentioned that the Rajah desires an increase in the pension of Rajamatha to Rs.6000/-, from Rs.1200/-. I think the Rajahmatha may be given an allowance of Re.3000/-, and Sri Sushila Raje Pawar, daughter of the late Ruler may also be given an equal sum. She is now getting Re.2880/- per year. The Rajah had not mentioned about the pensions of Shrimant Sarkar B.Y. Sarkar B.Y. Raje Ghorpade and Shrimanth Sardar B.B.Raje Ghorpade. I presume that they also will have to be continued.

(Contd.)

Though no mention has been made about the holders of Sandur Patak, who are getting a pension of Re.5/- per month, and about the Sardar who is paid Re.50/-, I think they will also have to be paid on the same scale.

It would perhaps be advisable to make it clear to the Ruler when recognising claims to immovable property that the claims so recognised relate only to the enjoyment of surface rights and not to be the mineral resources etc.that might already have been discovered in the lands or may hereafter be discovered, in accofdance with the orders in G.O. Press No.26 Public (Political) dated 4-1-1949.

In conclusion, I shall like to mention that the Ruler and his officers have co-operated as far as possible with our administration during this difficult period. He is also an accomplished gentleman, whose services can be utilised for the country in a suitable capacity.

The schedules are also herewith submitted.

Yours sincerely,
(Sd.) K.N.Anantaraman.
